

Company Profile

About Company

At Inventis Electric, we are driven by a commitment to innovation and reliability. Our mission is to deliver cutting-edge technologies and world-class services that meet the evolving needs of our clients - from small-scale construction projects to highly sophisticated industrial operations.

We design solutions that combine advanced functionality with long-lasting value, ensuring safety, efficiency, and sustainability at every stage.

Through strong global partnerships, we bring value engineering expertise in electrical, control, and instrumentation systems, supporting both commissioning and pre-commissioning activities. Our team of highly skilled engineers and technicians brings decades of on-site experience, guaranteeing smooth project execution and dependable results.

Safe. Reliable. Productive. — That's the Inventis promise.

Our Services

WHO WE ARE

Inventis Electric is a trusted partner in electrical and instrumentation solutions, offering a unique blend of manufacturing expertise, system integration, and trading services. We deliver end-to-end solutions to diverse industries, including industrial plants, oil & gas, infrastructure, and building management systems.

OUR DIVISIONS

A. Manufacturing

We design and manufacture a wide range of wiring devices, isolator switches, consumer units, and related electrical components built to the highest standards of safety, durability, and performance. Each product is engineered using advanced technology and tested for compliance with international standards, ensuring reliability across residential, commercial, and industrial applications.

B. Industrial Automation & Process Control

- System integration services in automation and control.
- Manufacturing & assembly of Control Panels (PLC, VFD, MCC, Automation Panels).
- Advanced automation solutions: PLC, SCADA, DCS, Servo Motors, AC/DC Drives, Instrumentation.
- Product expertise in HMIs, CNC Controllers, Servo Drives, Soft Starters, Industrial PCs & Instruments.

C. Trading & Distribution

- Stocking and distribution of Electrical & Instrumentation products for safe and hazardous areas.
- Strong partnerships with reputed global brands and manufacturers.
- Reliable, quality-driven products tailored to industrial and commercial needs.
- Comprehensive portfolio covering Switchgear, Controlgear, Cables, Panels, and Accessories.

WHY CHOOSE INVENTIS ELECTRIC?

- Proven expertise in manufacturing, system integration, and trading
- Strong partnerships with global technology leaders
- Quality-driven approach ensuring safety & efficiency
- End-to-end solutions from design to commissioning

WIRING DEVICES

- Smart Switch - WiFi and Touch
- Brushed Chromes and Brass Screwless
- Polycarbonate wide Rocker Screwless
- Polycarbonate standard Screwless
- Backlite with Screw Caps
- Metal Clad
- Weather Proof

ISOLATOR SWITCHES

- Disconnect & Safety Switches
- Explosion Proof Disconnect Switches
- Flexible Conduits, Fittings, & Accessories

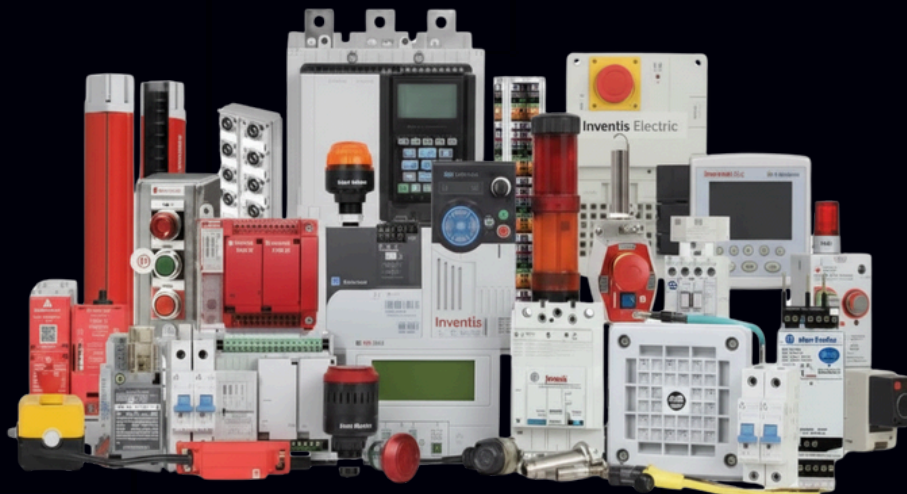

BUILDING AUTOMATION SYSTEM

- KNX Cable / Products
- Lighting Control

INDUSTRIAL AUTOMATION

- Drives (Low & Medium Volt AC & DC)
- PLC, HMI, I/Os, Power Supplies and Safety Products

CIRCUIT BREAKERS

- Air Circuit Breaker
- Moulded Case Circuit Breaker
- Miniature Circuit Breaker
- Residual Current Circuit Breaker

EXPLOSION PROOF/ATEX/UL CERTIFIED

- Killark Electricals USA
- Chalmit Lightings-- UK
- Vantage Technology--USA
- Rig Power, USA
- Hubbell wiring—USA
- Burndy—USA
- Wiegmann, USA
- Federal Signal, USA

SUSTAINABLE DEVELOPMENT GOALS

Relevant SDGs

Based on their business model, these are the SDGs that are especially relevant (where they can have material impact or show contribution).
