**Osteopath**

(Diploma in Osteopathy)

AIO – Independent Association of Osteopathy – No. 2002P00161

Professional Osteopathy License – No. C-0100119 – Entity: ACSS

I would like to thank you for visiting my site, for it shows the careful selection in treatments of Manual Therapy, highly qualified in primary healthcare and differential diagnostic.

I would like to point out that the information on this page shouldn't substitute a doctors appointment. A health professional's advice is advised.

The information displayed seeks to be a secure base of information for those who want to learn more about musculoskeletal dysfunctions, among others, and understand how osteopath treatments can correct dysfunctions and promote wellness, general health and structural body integrity.

For your information, I expose some of the exercises of my professional duty:

- **Graduated in Osteopathy ITS (Technical Health Institute),**
