

## Venetia Simchowitz – Short Bio

**Venetia Simchowitz** is the Consultant Pharmacist for Clinical Nutrition at Great Ormond Street Hospital for Children NHS Foundation Trust, London. She serves as Vice Chair of the British Pharmaceutical Nutrition Group (BPNG) and Vice Chair of the national HPN stakeholder committee. Venetia has contributed to national and international guidance, including the ESPGHAN/ESPEN/ESPR/CSPEN guidelines on paediatric parenteral nutrition as the sole paediatric pharmacist. She has published widely on parenteral nutrition, intestinal failure, and pharmacy practice in pediatrics, and is a frequent invited speaker at national and international conferences.
