Travel Protection Details

At Sports Entertainment Tours, your peace of mind is our priority. That's why all our travel packages are financially protected through our membership in both **ATOL** and the **Travel Trust Association (TTA)** — two of the UK's most trusted travel protection schemes.

What This Means for You:

✓ **ATOL Protected Travel**

When you book a flight-inclusive package with us, you're automatically covered by the Air Travel Organiser's Licence (ATOL). This means:

- Your money is protected if we cease trading.
- You will be refunded in full, or brought home safely if your trip is already underway.

ATOL is run by the UK Civil Aviation Authority, so you can confidently book events such as [Formula 1](#) weekends in Monaco, [Football](#) packages in England, or Irish [Rugby](#) matches knowing your investment is secure.

✓ **Travel Trust Association (TTA) Member**

For non-flight packages — whether it's VIP [concert](#) tickets, [corporate](#) hospitality packages, or [sports](#) experiences within the UK and Ireland — you're protected through our membership in the Travel Trust Association. This offers:

100% financial protection for every booking.

- Your payment is held in a secure trust account until your trip is complete.
- Independent third-party oversight, giving you complete booking transparency.

Why Choose Sports Entertainment Tours?

With our ATOL and TTA memberships, Sports Entertainment Tours provides unparalleled peace of mind. Attend prestigious events like [Wimbledon tennis](#)

[championships](#), [Premier League football games](#), or international [concerts](#) by world-class artists with full peace of mind.
