

QUICK SPACE BASIC 2023

Technical information

- Transport/storage package height ~ 320 mm
- Installation in less than 20 minutes including electricity
- Insulation: Floor 60 mm XPS, walls 40 mm XPS, ceiling 40 mm XPS
- Aluminum frame, high-quality laminate on both sides of the walls and ceiling, underside of the floor is galvanized sheet metal, plywood inside or roughened laminate as an option
- The elements are manufactured using the glue-vacuum method -> hermetic packaging
- Dimensions (m): Height 2.3, Width 2.3, length 5.1. Interior height 2.2 m
- The folding mechanism of the side walls is a rubber hinge - also works as a seal
- End walls hinge "conveyor belt" across the entire width
- Wind and snow loads tested (Stress test), more detailed information on page 3
- U-value 0.35W / m2K
- Weight ~ 750 kg
- Ventilation: free supply air, exhaust air duct fan
- Electrification quick installation package:
- Outdoor unit; input and expansion connector 220 V or 400 V
- Indoor unit; 2 sockets 220 V
- Residual current protection
- Wireless light switch
- LED light, 4 m 18 W
- Heater 650 W (2 pcs in Combi model)

Nato Stock Number (NSN)
Quick Space Basic 5411-58-001-7307

QUICK SPACE COMBI 2023

Two Basic models combined

Nato Stock Number (NSN)
Quick Space Combi 5411-58-001-7306

LOGISTIC POWER PACK

Fast and cost-effective space for use in crisis management, disasters, etc

Technical information:

- Length: 5100 mm
- Width: 4600 mm
- Height: 2300 mm
- Floor area: 22 m²
- Weight: 1500 kg

Details of the transport package of one module (container).

- Length: 5100 mm
- Width: 2300 mm
- Height: 320 mm

STRESS TEST

QUICK SPACE BASIC TECHNICAL INFORMATION

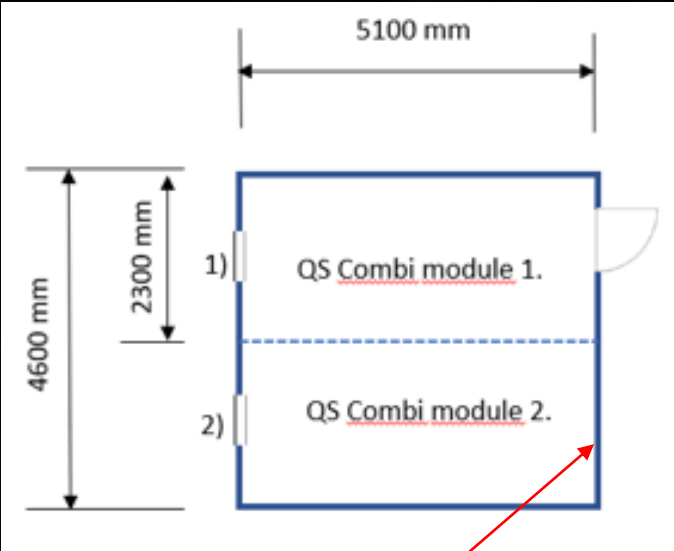

Type	Value	Reference standard	Comments
Payload	2200 kg	SFS EN 1991-1-1	No lasting deformation. Deformation linear.
Snow load	3440 kg	SFS EN 1991-1-3	No lasting deformation. Deformation linear.
Wind load	27 m/s	SFS EN 1991-1-4	No lasting deformation. Deformation linear.
Combined	27 m/s and 3440 kg snow load		Deformation linear. No visible structural damage.

Power supply and extension connector

LOGISTICS

QUICK SPACE BASIC TECHNICAL INFORMATION

Transport comparison

- Standard 20' modular container (6055 x 2435 mm) - 3 pcs / Finland truck - 42 m2 finished floor area vs-
- **QS Basic (5100 x 2300 mm) – 27 pcs / Finland truck – 300 m2 finished floor area**

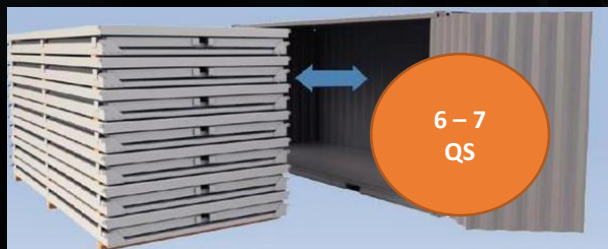

Sea transport – 7 QS Basic per 20' HC sea container – 80.5 m2 finished floor area,

Road transport – 18 QS Basic per EU standard truck – 200 m2 finished floor area
– 27 QS Basic per Finland truck – 300 m2 finished floor area

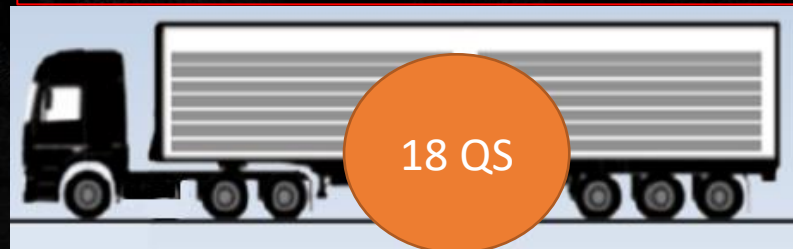

Storage

About 9 – 10 QS pieces in a transport/storage package in the same space size as 1 piece of a traditional 20' container (depends on the height of the container in question)

Cost savings in transportation –
QS Basic is 80% cheaper compared to a traditional 20' container

EU truck capacity 16-18 x Quick Space comparison 2 x 20' container

QUICK SPACE BASIC TECHNICAL INFORMATION

BENEFITS OF QUICKSPACE

Environment friendly

- Logistics cost savings of 80%
- More units per load
- Fewer trucks
- The CO2 footprint and emissions are reduced (cf. a traditional 20' container)
- Cost savings in transportation (cf. traditional 20' container)
- Smaller need for storage space (compared to a traditional 20' container)

Effective

- Assembling and dismantling the space in less than 20 minutes

Flexible and versatile

- Can be used as a unit or combined into a set of two

The product has a patent and has been awarded the Key Flag label

OPTION

QUICK SPACE BASIC TECHNICAL INFORMATION

- ✓ Roughened laminate for the floor on top of plywood. Easier to keep clean, durable, long-lasting
- ✓ Fire rated laminate
- ✓ Antibacterial laminate
- ✓ Monoblock cooler
- ✓ Monoblock cooler - heater
- ✓ Foundations
- ✓ Openings and grilles for e.g. Danterm M18 heating-cooling device piping
- ✓ Multi Protection additional insulation
- ✓ Sun protection
- ✓ Solar panels
- ✓ Transport containers (20' sea container)
- ✓ Installations

QUICK SPACE BASIC TECHNICAL INFORMATION

Current issue date: 28 November 2021
Expiry date: 27 November 2024
Certificate identity number: 10284636

Original approval date:
ISO 9001 - 28 November 2018
ISO 14001 - 28 November 2018

Certificate of Approval

This is to certify that the Management System of:

IntLog Oy

Luvialahdentie 440 B, 27520 Sakyla, Finland

has been approved by Lloyd's Register to the following standards:

ISO 9001:2015, ISO 14001:2015

Approval number(s): ISO 9001 – 00017652, ISO 14001 – 00017651

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Development, Manufacturing, Renting, Sales and Marketing of transferable Module Spaces and related maintenance, repair and inspection services.
