

♥ SPANISH X HAPPINESS

Build confidence
speaking with effective
sentence structures

Spanish IB oral
assessment

Si + verb in present tense (we) + verb in future tense (we)

- Si reciclamos reduciremos las emisiones de CO2
If we recycle, we will reduce CO2 emissions

Hay que + verb in infinitive + más (more) / menos (less) +
noun + para + verb in infinitive + noun

- Hay que consumir menos agua para proteger los
ecosistemas
We must consume less water to protect ecosystems

Tip: 'hay que' only works with verbs in infinitive and it is
impersonal; it doesn't need a pronoun.
