

### **Subcontractor in Germany Wanted; for a Long-Term Partnership.**

We are looking for reliable freight forwarders from Poland to act as subcontractors for us and handle regular transports for our customers.

#### **Areas of operation:**

Southern Germany (Baden-Württemberg, Bavaria), Switzerland, and Austria. Other regions in Germany are possible by arrangement.

#### **Requirements:**

- Own fleet portfolio (freight forwarder as subcontractor)
- Willingness for a long-term collaboration
- Fixed prices

#### **What we offer:**

- Long-term partnership with an established family business
- 75 years of experience in the transport industry
- Large, diversified customer base and continuous order growth
- Regular sea container transports from the depot to the customer
- Transparent billing, fair compensation, and on-time payments
- Support in optimizing processes, joint growth and scaling opportunities
- Security through stable business connections and reliable partnerships

Interested? We look forward to hearing from you to discuss details and start a long-term collaboration.
