Ceramics are deeply linked to the history of the Mediterranean, dating back to 6500 BC in Mesopotamia. They form part of our everyday lives and, for centuries, have been the material we have trusted to shape our homes and the objects we use: shelter and food, two essential elements for human life. Our love for this living, efficient material is written into our DNA. Carmen is our tribute to our roots and our history.

La cerámica está vinculada a la historia del Mediterráneo desde el año 6.500 a. C. en Mesopotamia. Forma parte de nuestra intimidad y, durante siglos, ha sido el material en el que hemos confiado para crear nuestras casas y enseres: el hogar y la alimentación, dos elementos esenciales para cualquier ser humano. El amor por este material vivo y eficiente es algo que llevamos escrito en nuestro ADN. Carmen es nuestro homenaje a nuestras raíces e historia.

Sharing a meal with family or friends, the sun and the sea, honest spaces and materials born of the land... The Mediterranean spirit is joyful, relaxed and luminous, but above all deeply warm and close. This is our ceramics, an ode to what matters most to us: our land and our family..

Compartir una comida en familia o con amigos, el sol y el mar, espacios y materiales honestos, de la tierra... El espíritu mediterráneo es alegre, relajado y luminoso, pero, sobre todo, profundamente cercano. Así es nuestra cerámica, un canto de amor a lo que más queremos: nuestra tierra y nuestra familia.

Our collections revive classics from the history of Mediterranean tiles – bricks, encaustic patterns, hexagons, scales, majolica, cottos... Timeless designs with a strong decorative character, reinterpreted through a contemporary lens.

Nuestras colecciones recuperan clásicos de la historia de la baldosa mediterránea: bricks, hidráulicos, hexágonos, escamas, mayólicas, cottos... Clásicos atemporales con un fuerte componente decorativo que hemos reinterpretado bajo una perspectiva contemporánea.
