Nuestro viaje comenzó hace 30 años en el mundo de los manillones de puertas en Torrent (Valencia). Tras varios años en ese mercado, poco a poco fuimos dejándolo y evolucionamos hacia los accesorios y complementos de baño, donde hemos ido adquiriendo experiencia y nos hemos hecho paso a paso más especialistas en ese sector del baño hasta el día de hoy.

Our journey began 30 years ago in the world of door handles in Torrent (Valencia). After several years, we gradually moved away from door handles and evolved towards bathroom accessories and complements. Little by little we were acquiring experience and becoming more and more specialists in the bathroom sector until today.
