

Espace la Devèze, The caterer of your reception !

You've just said **DO...**!

We will be delighted to help you create the wedding of your dreams.

We offer services of the highest culinary quality, with tasty, original products, and a refined service.

Let the Espace La Devèze Traiteur, with its culinary talent and its logistics, make your wedding an elegant, unique and unforgettable reception.

Tell us about your dreams and we will make them true.

Our project managers will carefully think every detail: cocktail, culinary workshops (pour moi workshop signifie plutôt cours collectif, peut-être que show cooking conviendrait mieux), dinner, service, decorations and tableware and will guide you through every stage of your preparations, so that you can live this exceptional day with total peace of mind.

Whatever your budget may be, we will pay particular attention to listening and personalizing your evening.

Everything will be studied carefully to make you live the magic of the moment.
