Supporting Bereaved Children

Golf Around The World is a charity golf day where each team represents a different country. Players “travel” the globe across the course, enjoying a spectacular day of golf and fundraising at the historic **Barton-On-Sea Golf Club**.

Founded in 1897 and shaped by renowned architects Vardon & Colt, the course offers a classic links-style challenge with sweeping coastal views and a refreshing sea breeze.

The elegant Clubhouse overlooking the lake and island green, also features panoramic views across the Solent to the Needles and along the coast to Old Harry Rocks at Swanage, an amazing backdrop for both golf as well as evening social activities.

Supporting our local community

Funds raised will support the **Select World Travel Foundation** grant giving programme, actively helping local charities based in Dorset and Yorkshire focused on the **prevention or relief of poverty, specialised healthcare and disability**. The event also supports our 2026 charity partner, **Mosaic Family Support**, who provide vital care to children and young people across Dorset who have lost a loved one through any cause of death. They also host various activity days and bereavement cafes in schools to support groups of children dealing with grief.
