Cornwall in the Summer

**27th June 27
6 days**

Our summer 2027 trip is exploring Southern Cornwall. We will be stopping off twice en route as we head to our hotel in Redruth. We have visits to St Michael's Mount to enjoy the castle and gardens, enjoy the town trail in Marazion, take the scenic railway to St Ives where we have time to explore this lovely town with its points of interest. We have a walking tour learning the history of Falmouth before we have a cruise on Helford River to enjoy the lovely views at this time. On the last day we take in the the gardens of Heligan to see how the renovation of the gardens proceeds, we enjoy Cornwall Gold & Tolgus Mill with its interesting collections. We will stop twice on our way home.

Our Hotel is the 4* Penventon Hotel, set in its own grounds, providing an ideal location from which to explore the local area. This privately owned hotel's mission is to 'provide exceptional service and hospitality'. This is enhanced by its lovely décor, a restaurant serving great local food with signature dishes, individually styled luxurious rooms all enhanced by a leisure centre.
