

# IBC Control Ab Drive Systems for rotary heat exchangers

We store IBC Control Ab's VariMax drive sets with a direct-drive motor for 600 to 3900 mm rotor diameters

- Delivery on order day from stock as postal package-arrive the next business day
- If necessary, you can get a suitable pulley and drive belt included
- Pick-up service for immediate deliveries on all business days, except during the contract
- Drives of more than 3900 mm diameter rotors are delivered within 5 working days of ordering
- Drives of 600 to 1000 mm diameter rotors with a tachometric motor within 5 business days of ordering

## Stock products delivery on order day

Drive set	Rotor D <sub>MAX</sub>	Motor	Pulley	Accessory (included)	
	(mm)	3~ 325VDC (rpm)		Rot.monitor	EMC-set
VariMax25	..1500	350	SPA 75-1	X	X
VariMax50	..2500	375	SPA-80-1	X	X
VariMax100	..3400	400	SPA 106-1	X	X
	..3900	400	SPA 132-1	X	X

## Non-Stocked Products shipment in 5 working days

Drive set	Rotor D <sub>max</sub>	Mootor 1~ 230V		Pulley	Accessory (included)		
	(mm)	(W)	(rpm)		Rot.monitor	EMC-set	Capacitor
MicroMax750	..5000	750 <sup>1)</sup>	200	SPA 170-1	X	X	-
MicroStart	..1000	21 <sup>2)</sup>	100	SPZ-100-1	X	X	1,5µF

1) Worm gear motor 3~ 230/400V 2) In line helical gear motor with tachometer feedback 1~ 230V

# TANIPLAN OY

We also supply replacement rotors diameters 600-5000 mm.  
Ask for pulleys and belts, too
