FOCUS ON JOBHUNTING

GROUPTRAINING

We will guide you and give you the knowledge about current jobhunting techniques and job market in general. You will learn to find hidden jobs, how to use different channels and learn to use your personality in the interview.

STARTWORKSHOP (2 days), you get acquainted with

- The TE-Offices E-services and the new Job Market site
- Profiled, attractive CV, online job searching, documents and applications

ADVANCED STUDIES (3 days)

- Highlight your skills. First impression. Increase your communication skills.
- Optimize and streamline your job search.
- Find and search job in SOME, potential companies and opportunities.
- Identify professional strengths and development needs.
- Video CV increases your chances. Profile yourself with video and sites.
- Be interesting. Make yourself a brand.
- We'll do an effective and comprehensive exercise for a job interview.

To promote your employment and career plan, the course includes up the following Card trainings: hygiene passport, alcohol passport, lifesaving first aid, first aid (EA1), hot work license, occupational safety card and license for truck driving. The number of permits is limited to one if you choose an electrical work safety card. Card trainings will be completed after the course at the agreed time.
