Important Hotel Information for E-Bike Riders:

- **Secure Storage / Parking for E-Bikes**

You can park your e-bikes in the Salettl (the garden house in the beer garden). The Salettl is locked in the evening after the restaurant closes and unlocked in the morning at breakfast time.

- **Battery charging**

You can charge removable e-bike batteries in your hotel room.

Batteries that are permanently installed in your e-bike can be charged in the Salettl after consulting the service staff.

- **Bicycle racks on tow bars**

Due to limited parking space in the hotel area, we ask that you remove your bicycle racks from the tow bar during your stay and store them in the Salettl.

Electromobility at the Landgasthof Drei Rosen - Wallbox for hotel guests

To make it easy for you to charge your electric car while staying with us, a modern charging station is available in our hotel parking lot.

Your key information at a glance:

- **Location:** Hotel parking lot – to the left of the hotel entrance
- **Connection:** Type 2 plug (common standard for all popular electric cars)
- **Charging power:** Up to 11 kW
- **Cost:** € 0.49 per kWh

How charging works:

1. **Activation:** Pick up an RFID charging card at the reception
2. **Plug in:** Connect your vehicle to the station's charging cable
3. **Finish:** Once charging is complete, deactivate the charging station, unplug the cable, and return the charging card to the front desk

Our request to you:

- **Fair-use parking:** Once your car is fully charged, please move it to a regular parking space. This will free up the charging spot for other arriving guests
- **Technical issues:** If the station isn't working as usual, our team at the reception will assist you immediately

The Landgasthof Drei Rosen team wishes you a safe trip and a pleasant stay
