## Facial Treatments with Microneedling

**HERASKIN 110€**  
Treatment with Dermapen and salmon DNA on the face, neck, and décolletage that stimulates cellular regeneration, improving skin texture and luminosity. Highly effective, providing results comparable to Botox, but in a more natural way and with deep hydration.

**CELLULAR EXOREVIVE 110€**  
Facial treatment with Dermapen and exosomes on the face, neck, and décolletage, where cells communicate with each other to enhance cellular regeneration. Improves skin firmness, texture, and luminosity, achieving a more effective and natural rejuvenation.

**FULL FACE 110€**  
A comprehensive Dermapen treatment that rejuvenates the face, eyes, lips, and neck. Stimulates collagen production, improves hydration, reduces wrinkles, and firms the skin, leaving it smooth, luminous, and renewed.

**HYALUROSIN LIFT 65€**  
Combines Dermapen and hyaluronic acid to deeply hydrate, improve elasticity, and reduce wrinkles. A revitalizing treatment that leaves the skin firm, luminous, and rejuvenated. Ideal for all skin types.

**VITAMIN BOMB 65€**  
Nourishes and revitalizes your skin with Dermapen and an exclusive vitamin cocktail. This treatment improves texture, luminosity, and hydration, leaving your skin visibly healthier and radiant.

## Facial Treatments

**EYE LIFT 50€**  
Great for lifting the upper eyelid, reducing wrinkles, bags, and dark circles.

**HYALURONKISS 50€**  
Treatment with Dermapen and hyaluronic acid for hydrated, rejuvenated, and naturally voluminous lips. Enhances their texture and contour in a subtle and effective way.

**COCKTAIL NECK LIFT 65€**  
Rejuvenate the skin of your neck with Dermapen, a treatment that stimulates collagen production, improves firmness, and reduces fine lines. Ideal for restoring the smoothness and luminosity of this delicate area.

## Facial Treatments

**HYDRA ZENESIS 65€**  
Facial treatment designed to deeply hydrate and regenerate the skin, restoring its natural vitality and luminosity. Ideal for fighting dryness and revitalizing your face with smoothness and freshness.

**KLARITI C 65€**  
Brightens and unifies your skin thanks to the powerful Vitamin C, reducing spots and promoting a radiant and rejuvenated complexion. Ideal for restoring clarity and vitality to your skin.

**HYALONÉA 75€**  
Fights wrinkles and restores elasticity with hyaluronic acid, leaving your skin hydrated, firm, and visibly rejuvenated.

**KALLISTI ALGINATE 85€**  
Double facial treatment that combines an intensive moisturizing vial with an alginate mask. The vial boosts deep hydration and prepares the skin, while the mask provides a tensor effect, improves elasticity, and revitalizes the face, leaving it soft, luminous, and rejuvenated. Ideal for achieving a fresh and radiant finish.
