- 2 bathrooms + sauna and washer room

- Terrain suitable for hiking in summer or backcountry skiing in winter.

NOTE: Room plan is only for illustration

Fantastic newly built cabin in beautiful high mountain terrain

The cabin is located in the sunny cabin area HV15 on Høgevarde, just below Vardefjell.

From the cabin you have a wide and beautiful view of the entire pearl row of mountain peaks such as Høgevarde 1459masl, Gråfjell 1466masl and Grindefjell 1413masl. The closest summit in summer and winter is Vardefjell 1107masl.

Here the cross-country ski trail passes just below the cabin. You choose whether you want to go up towards Hallingdalsløypa and Norefjell, or in the direction of Høgevarde Fjellpark with dining and socializing.
