Used cabin with large terrace and large plot

The cabin is centrally located a few rockthrows away from the Lavvo building with a restaurant and the ski resort. Here you get the high mountain feeling on a big plot of over 2 acres. The plot is gently sloping with plenty of room to play.

Great views of the Norefjell plateau's fine mountain peaks such as Høgevarde 1459 m.a.s.l. and Hesteleinnatten 1238 m.a.s.l.

In the vicinity there are mountain hikes, fishing lakes, trailbiking and a gym. Activities for the whole year around!
