Spacious cabin under construction with large green area and a natural stream right next to the plot

New cabin with large and spacious loft under construction at Mellomsetra. There are 3 bedrooms in addition to the large rooms in the loft. Here you will have room to house several generations.

The plots at Mellomsetra are spread out with a fantastic view of Fisketjern, Fjellparken, Vardefjell and Brennåsen. Outside the door there are cross-country skiing trails, bike paths and great hiking terrain.
