Spacious cabin under construction with cross-country skiing trails right outside the plot boundary

Danebu 94 cabin from Tinde hytter under construction at Mellomsetra. This is a spacious cabin with 3 large bedrooms. You have a living/dining room with a great view, a porch, a bathroom with a sauna, a laundry room with a toilet and an outside storage room.

The plots at Mellomsetra are spread out with a fantastic view of Fisketjern, Fjellparken Vardefjell and Brennåsen. Outside the door there are cross-country skiing trails, bike paths and great hiking terrain.
