Beautiful and spacious Tinde cabin under construction at Mellomsetra

Danebu 80 cabin from Tinde Hytter AS offers plenty of space.

This is a practical cabin where the interior is well utilized. Three bedrooms, bathroom and separate toilet room. In addition, it has a very big loft. As well as open ceiling in the living room/kitchen.

The plots at Mellomsetra are spread out with a fantastic view of Fisketjern, Fjellparken Vardefjell and Brennåsen.
