

Experience autumn in our 'backyard'

Dear guest,

The **leaves are changing color**, a blanket of autumn slowly settles over the North Holland Dune Reserve, and the evenings are getting **longer and cozier**. Where summer was all about long sunny days, this season is dedicated to **ultimate relaxation and warmth**.

Put on a warm sweater for a crisp walk through the dunes or a beautiful horseback ride — *who knows, you might even spot our local 'Big Five'!* — and enjoy the **lovely autumn sun** on our terrace afterwards. Autumn in Heemskerk is simply magical.

Will you come and unwind with us this autumn?

Dune safari: Spot the 'Big Five' of Heemskerk

Thought you had to travel far for a **safari**? In the North Holland Dune Reserve, you can experience your very own wildlife adventure this autumn, **right from our hotel!**

In autumn, nature around Heemskerk undergoes a wonderful transformation. The **Scottish Highlanders** and **wild horses** grow their impressive winter coats, and with a bit of luck (and quietness!), you might easily spot a roe deer, a dune fox, or a buzzard.

Put on a warm coat, bring your **camera or binoculars**, and set off through the **colorful forests**. Feel free to ask reception for the best walking routes — we're happy to tell you where you have the best chance of meeting our impressive 'neighbors'.
