

LAESSIG

LAESSIG – Pop-Rock

LAESSIG is known for international pop-rock with timeless songwriting, atmospheric soundscapes, and powerful melodies. Drawing on a variety of musical influences, the Swiss band has developed a unique sound featuring catchy choruses and an unmistakable musical style.

Since its founding in 2021, LAESSIG has released two studio albums: MILES AWAY (2022) and STORY TO TELL (2024). Several songs received radio airplay and brought the band recognition beyond their home region. The band is currently working on their third studio album, scheduled for release in 2027.

On stage, atmospheric sounds and powerful songs combine with authentic energy and a charismatic live presence.
