# CONTENT

When we developed the first ball in 1894, we didn't follow the competition, we set the standard. We didn't just create the ball, we built a reputation, a legacy. We don't forget where we started, but we plan for the future. We never stop innovating; never stop searching for opportunities to improve, always adapting to meet the changing needs of the player and the game. For every W and every L, the ball is the constant—something you can always rely on. It holds dreams to something better, an opportunity to escape reality, and it unlocks potential on any stage.

No matter the stakes, time, or place, we play our best with TF™.

## BALL CONSTRUCTION

### LAMINATED

Laminated leather or composite panels are hand-fixed onto a rubber carcass, providing athletes with high-quality basketballs for top-level performance.

⊕ Target: Competitive Play

### MOLDED

Molded construction is used on outdoor basketballs and provides increased design capabilities and a wide range of available color and graphic options.

⊕ Target: Recreational Play

### 1 COVER

The cover material provides superior grip and soft feel while maintaining our rigorous standards for material strength and abrasion resistance.

### 2 CARCASS

The carcass provides structure for the inner components.

### 3 WINDINGS

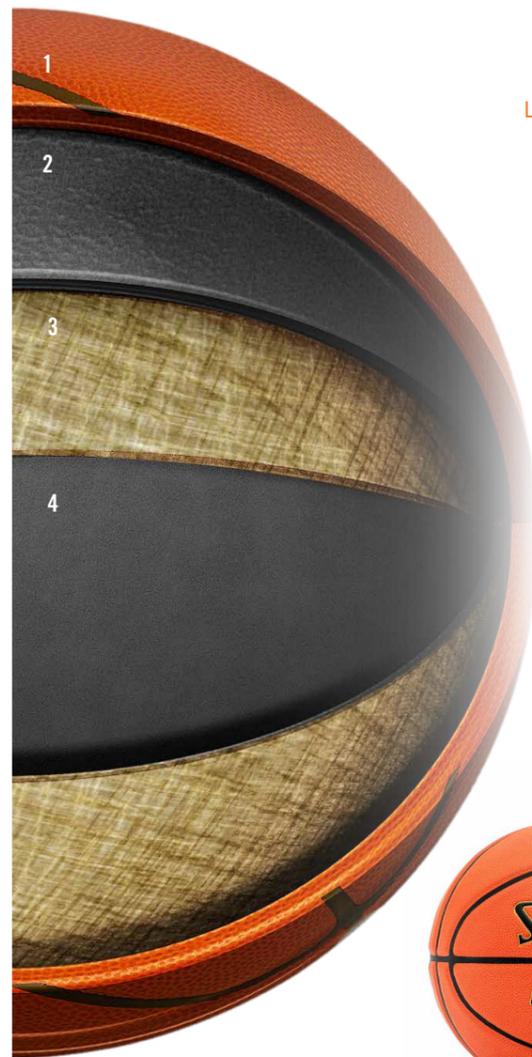

Windings add structural integrity and durability to the construction of the ball.

### 4 BLADDER

The high-end bladder maintains the ball's air pressure for proper inflation and extended air retention.

### LEGACY

This exclusive material with advanced moisture management control is engineered for high caliber indoor play. The soft carcass and deep channel design gives this ball a softer feel and improved grip.

## SPECIAL OFFERS

Our offers are non-binding and subject to availability. Special offers and sales by agents, representatives, or any other intermediary are only valid if agreed upon in writing by our company. The prices of our goods will always reflect the rates valid on the day of delivery, regardless of the order date. Any change in economic, social, or fiscal conditions may result in a price review.

The customer will be responsible for all costs related to recovery of the payment, both legal and extra-legal, the latter being set at 10% of the unpaid amount, with a minimum of €250.00, without prejudice to UNITED SPORTS BRANDS EUROPE's right to claim actual costs. Any claims concerning invoicing must be reported to UNITED SPORTS BRANDS EUROPE within fourteen (14) calendar days of the invoice date, by registered letter. In the absence of communication within this period, the customer will be deemed to have accepted the invoice.

## TERMS OF THE CUSTOMER

## DISPATCH - DELIVERIES

Unless specific instructions are provided by the customer, we will select the method of dispatch for each delivery. Goods will be transported at the cost and risk of the recipient, even when shipped carriage paid, regardless of the means of transport or delivery method. Upon receipt, the customer must check the packaging and communicate any complaints to the transport company within the legally stipulated time. Proof of any deficiency or damage must be provided. We will do our best to meet the delivery date, but delays will not give rise to cancellation, interest claims, or compensation.
