BENJAMIN RICARD CHAMBAS

Sociologue des sciences
& Expert Maître Feng Shui

ZONE ANTI-CANICULE

FRONT FACE

BIOGRAPHIE PROFESIONNELLE

Benjamin Ricard Chambas is a seasoned Sociologist of Science specializing in technological impact assessment and the integration of systemic thinking with spatial dynamics.

As an accomplished Feng Shui Master, he harmonizes environments for optimal flow and energy (Qi). His work bridges rigorous scientific methodology with traditional wisdom to create sustainable, innovative solutions for human-centric spaces.
